[Re-numbered from the Millenium] ISSUE: 76

FROM THE CHAIRMAN . . .

Our 60th anniversary got off to a fine start with a visit from the Maire de Chartres, M Jean-Pierre Gorges, accompanied by his wife, Stella and 10 Chartres City Councillors. It was a great honour to host M Gorges, who is a very busy man, and only able to visit one of Chartres' twin cities on rare occasions.

Our Mayor, Martyn Bell arranged an interesting programme during which M Gorges spent the morning with Louise Goldsmith, Leader of West Sussex County Council and visited the WSCC solar farm at Westhampnett. Later in the day, M Gorges also met the High Sheriff of the county, Caroline Nicholls and the Duke of Richmond, thus forging useful links at civic level between our two cities. The focal point of the visit, the re-signing of the Deed of Jumelage, took place in the historic surroundings of the Council Chamber.

Alongside the civic programme, a number of other activities were arranged, which are reported in this edition of Citylink. Here there were a few surprises. M Gorges proved an entertaining speaker though his rapid delivery made translation challenging. He is also adept at handling a spade, and showed off his skills planting a commemorative tree in Litten Gardens.

Now we look forward to hosting our visitors from Chartres over the Easter period. We are expecting around 50 people this year - a record number. The Orchestre d'Harmonie de Chartres, the equivalent of our own City Band, will also visit Chichester at Easter and will play a concert for us in the University Chapel on

Easter Saturday. We are arranging a busy programme of events, details of which are included in this edition.

As it is our 60th anniversary year, we have arranged some special events for our guests, one of which is dinner in the superb private rooms at West Dean House. Another is a performance of a play written specially for the Friends of Chartres by local playwright, Greg Mosse. Putting on events of this nature is costly, but the Association has been saving money in order to subsidise hosts and help with the cost of entertaining their guests. These events will also be open to members who are not hosting.

You will see from the programme on page 3 that two more special weekends are planned this year: the Schools Art Challenge Exhibition and concert of Anglo French music in June and a mini-exchange to Chartres in September.

We look forward, therefore to a busy and productive year. on the national level, we are living through uncertain times. We can be sure, however, that whatever happens between our two countries over the next months, the torch of friendship between our twin cities of Chichester and Chartres burns as brightly as ever sixty years after it was lit in 1959. We hope that the next sixty years will prove just as fruitful.

Vive le jumelage

**FRIENDS OF CHARTRES AGM
14th March 2019 (Synopsis)**

The Association's 58th AGM was held on 14th March at St George's Parish Centre and The Mayor of Chichester, Cllr Martyn Bell, chaired the meeting. After welcoming the 23 members attending he thanked the Chairman and committee for their input into the recent 60th Anniversary events for the Mayor of Chartres' visit. As there were no matters arising, it was agreed he sign the Minutes of the last meeting as a true record.

The Chairman's report reviewed last year's events and her thanks were given to committee members for their inputs.

The Treasurer reported the 'Examined' accounts which had been circulated to all members explaining some of the 'challenges' with the introduction of BACS payments. The accounts were then unanimously agreed to be adopted by all present and John was congratulated and a vote of thanks also recorded for Michael Merritt 'Examiner' who was re-appointed to continue in this role.

The Mayor then conducted the elections to the Executive. As all had been previously proposed, seconded and agreed to serve, the following were unanimously elected 'en bloc' by those members present:

Officers:

Chairman - Julia Sander Vice-Chair - Anne Scicluna
Hon. Sec. - Margaret Brown Hon. Treas. - John Wilton

Committee Members:

Anne-Louise Briggs David Nason
Ray Brown, Rosie Speer
Paul Everett Jim Payne

It was noted that as Paul Devonshire was not standing, Rosie Speer would fill this vacancy and Paul Devonshire was thanked for the work he had done during his time on the committee.

The Mayor then passed across to the Chairman for the rest of the Agenda.

Item 9 - Constitution Update. Julia explained the reason for the update and following discussion it was then proposed, seconded and unanimously agreed by those present to adopt the new constitution.

Under any other business the Mayor requested that the Secretary collect the copy of the re-signed Twinning Deed.

Julia then closed the meeting at 8.30pm and members were invited to refreshments which included a 60th Anniversary birthday cake produced by Astrid Davies. (photos in next edition)

LOCAL PLAYRIGHT GREG MOSSE PENS A PLAY SPECIALLY FOR THE FRIENDS OF CHARTRES

Chichester playwright, Gregg Moss, has written a play for the Friends of Chartres to commemorate the 60th anniversary of the twinning. The play, written and performed in French, is set in the Law Faculty of a Parisian University. The students are revolting! Two of them attempt to stage a "sit-in" in the Director's office but their plans are foiled by her astute PA, who has seen it all before.

This comic play is to be performed at the Bring and Share Supper at The Fishbourne Centre on 20th April, as part of the entertainment for the exchange weekend. Directed by Paula Tinker and acted by members of the Friends of Chartres and special guests it promises to be a highly entertaining half hour.

EXHIBITION of work by DANIELLE BEYSSAC-KICINSKI Oxmarket Gallery, April 8 - 21

The Association is organising an exhibition of the work of the painter

Danielle Beyssac-Kicinski

in the Foyer of
The Oxmarket

at the beginning of April.

Danielle lives and works in Chartres.

This is what she says about her work.

"Painting the seashore has for a long time been the subject of my personal exploration of past time. I also paint landscapes of the Breton countryside where I spent childhood holidays with my maternal grandparents. I paint from life, and work in acrylic, sometimes with marble sand to compose still life paintings, bouquets of flowers and stylised landscapes."

**Friends are invited to a private view of
Danielle's work on
Monday 8th April from 6.00 - 8.00pm**

Entry is free, but we would appreciate a donation to cover the cost of refreshments.

CHICHESTER CITY BAND - photos by Wendy Devonshire & John Wilton

As part of the entertainment programme for our Chartres visitors here to celebrate the 60th anniversary of the signing of the Deed of Jumelage, the Chichester City Band performed both British and French music in the Assembly Rooms. We started with our respective national anthems and then came the programme proper. This was in two halves with an interval for drinks and nibbles. In true *franglais* manner, these are called "brass bands". There is indeed a *Championnat de France de Brass Band*, and Youtube reveals a high standard of performance and great enthusiasm for the genre.

My favourite piece of the evening was *Lightwalk* by Barrie Gott, a swing big band number written by a Salvationist Army man. If not restrained by English reserve and my mother's enduring injunction not to show off, I would have happily jived on the Assembly Hall's dance floor. We are lucky in Chichester to have a band of such good quality and they rightly displayed their trophies to prove the point.

This was a pleasant evening whilst the rain poured down outside.

PAUL DEVONSHIRE

ORCHÈSTRE D'HARMONIE DE CHARTRES

Orchestre d'harmonie de Chartres (OHC) will be staying in Chichester over the Easter period and to mark the 60th anniversary of our twinning, will play a concert for the Friends of Chartres in the University Chapel.

Formed in 1956, the OHC comprises 60 musicians and is an integral part of the cultural life of the city. As well as performing at official functions, the band plays in the cathedral and churches of Chartres as well as at events around the city.

The band includes three sections: woodwind, brass and percussion. It plays a wide range of music of both well-known and less familiar pieces.

The musical director, René Castelain began his musical career as a trumpeter, winning first prize at the Paris conservatory. After training at a music academy in

Paris, he travelled internationally as band leader. He has been the musical director of OHC since 1997.

The aim of OHC is to promote and develop the playing of instrumental music among adults and young people. Its members are volunteers who are true music lovers. The OHC is always keen to welcome new members.

More informations available on the OHC website : www.orchestra-harmonie-ville-chartres.com

We are fortunate that OHC has offered to play for us during their visit to Chichester.

We hope that many of you will support this event.

RE-SIGNING THE JUMELAGE DEED on 1st March 2019 & ANNUAL DINNER - CELEBRATING 60 YEARS OF TWINNING

The historic Council Chamber was indeed a most significant venue for the re-signing of the Deed of Jumelage as it was here that the original Deed was signed by Alderman Charlie Newell, Monsieur Pichard, and the Town Clerk, Eric Banks on 28th February 1959.

Some sixty years later the two current Mayors, Cllr Martyn Bell and Monsieur Jean-Pierre Gorges, together with the Chairmen of their respective city's Twinning Associations, Julia Sander and Claire Cr  z  , re-signed the Deed of Twinning.

As can be seen in the photo above, also present was the High Sheriff of West Sussex, Mrs Caroline Nicholls, DL wearing full ceremonial regalia and (far left) Yvonne Chr  tien, Chairman of Chichester Commission of the French Twinning Association 'Des Amis des Jumelages de Chartres'.

The Council Chamber was packed to capacity with both French and English well-wishers including Chartres Adjoints and Councillors who had accompanied their Mayor for this very special occasion plus Barry Newell, the son of Alderman Charlie Newell.

Former Mayors of Chichester had been asked to wear their Past Mayors badges and many photos were taken to record this special occasion by our 'official' photographer, Rob Campling, who also took one showing Former Chairmen of the Friends of Chartres Association who had managed to be there.

Prior to this re-signing there had been a special Cathedral Evensong which included an Act of Thanksgiving for 60 years of friendship between our two cities (full report on page 8) and following would be our 'very special' Friends of Chartres Annual Dinner - being held in the adjoining Assembly Room.

We had earlier been greeted with a 'Welcoming' glass of Champagne so the atmosphere was already very convivial. Wine was also available to purchase as Julia had organised Jan to be in charge of this whilst Anne-Louise Briggs had negotiated with Vanilla Caterers who prepared the delicious 3-course meal (with vegetarian options) for the 73 attendees - and the table decorations had a red, white and blue theme echoing our two national flags.

Each guest received a souvenir booklet prepared by Anne Scicluna and Julia Sander but sadly their new badges had been delayed and therefore would need to be distributed at a later time. However, this technical 'hitch' did not dampen the happy atmosphere and we looked forward to hearing the official speeches.

Fortunately, with Julia's excellent translation skills, all were able to understand both Mayors' speeches, the main themes of which were looking forward with renewed enthusiasm to continuing our long-established friendship and 'with tongue in cheek' perhaps create a faster journey-time between our two beautiful cities. The final words then came from our Chairman and were 'echoed' by all. **"Vive le Jumelage"**

MARGARET BROWN

FROM THE CITYLINK ARCHIVES : Issue 94:2 MAY 1994
'Eurotunnel Winners'

At the recent Celebration Dinner Anne-Louise drew our attention to an error of information inside the 'souvenir booklet' which was given to all attendees and it was suggested this could be rectified by putting the original report into the next Citylink - so here it is.

As you will see it was Lancastrian Infants School (and NOT Central School) that brought this accolade to Chichester - now 25 years ago (how time just flies by!) I wonder where these children are now? For us 4 (Lin, Anne-Louise, Ray and myself) this was the first of our many 'projects' working with local schools and linking these with similar schools in both Chartres & Ravenna, all within the realms of our city's Twinning. (MB)

Sunday 8 May will be a day to remember for many Cicestrians. In particular the 6 & 7 year old children of the Lancastrian Infant School who, together with their Headteacher, Lin Chaplin, members of the governing body, Anne-Louise Briggs, (Chairman), Margaret Brown (Clerk) and parents, travelled to Folkestone. There, they saw Ray Brown (Vice- Chairman of the governors) receive a trophy for the school from Sir Alistair Morton, Co-Chairman of Eurotunnel. As Project Co-ordinator, Ray was also given a cheque for 4,000 ECUs (approx £3,000) to enable his project team to put this winning project into action.

The Award Ceremony was the last event in a week of celebrations set around the Inauguration of the Channel Tunnel by President Mitterand and The Queen. Co-ordinated by the Local Government International Bureau, this international town-twinning competition had attracted over 500 enquiries and eventually received almost 100 entries, from which 20 were short-listed and just 6 chosen as winners.

After putting our ideas together and completing the entry form we needed confirmation that the school in France would participate. They were on holiday! . . . and so was Jeannie Chassanne !! However, determination pays and after leaving messages on answer machines in Chartres; the use of Swiftair postal services; and fax facilities; the necessary signature was received and we were in by the skin of our teeth.

The project - to produce a board game following the journey from Chichester to Chartres via London and Paris and using the Tunnel - is primarily a twinning aid. It will be aimed at 4-7 year-olds to enable them to learn about each other's community, country and language.

However, the project team has high hopes and suffice it to say that copyright and patents are being sought !

For the Director of l'école Maternelle this was his first visit to England where we met Didier Deschamps for the first time. He was introduced to the Mayor of Chichester, President of our Association (at that time Cllr Anne Scicluna) and Chairman, Diana Taylor, who had both travelled with the children to attend the ceremony. Taking a trophy back to Chartres must be a wonderful souvenir of an exciting and historic weekend for him.

Our best memories, however, came from the participation by the children who were invited on stage by Sir Alistair, as the photograph shows. They were also given bags of "goodies" from Eurotunnel, followed by a buffet lunch and a good look round the Exhibition Centre - surely all this was worth their leaving Chichester at 7.30am that morning.

JUDO CHAMPIONSHIP AWARDS 2019

The Dojo at New Park Centre was the venue for Chichester Ronin Judo Club's Annual Championships and, once again the Friends of Chartres Chairman was invited to present their 'Friends of Chartres - Colin Tupper/Guy Bisson' Trophy - which Julia did after reading the following citation:

"The person selected for this very special award has shown great commitment to his Judo over the years, but particularly this year. Over the last 12 months he has matured almost beyond recognition and this has been demonstrated by both the quality of his judo and his behaviour in the classes.

Last year he shared the award with the rest of the family, who still support the club wonderfully, but this year it is felt that he deserves to receive the award to himself.

Despite his relatively young age, Toby has already assisted with running warm-ups and with teaching techniques to new players. He has stepped up his game and has started to stay on with our senior players. He is always happy to be used for demonstrations and makes a very good Uki - a skill in itself!

Congratulations Toby Alford and thank you for all your assistance over the last year."

‘SCHOOLS FINAL ART CHALLENGE 2019’ CARNIVAL OF THE ANIMALS

Launched on 31st January 2019 in the Fine Art Department - University of Chichester

With a morning weather forecast for snowfall by that evening we did wonder how this might affect the attendees travelling to the Launch of our Final Schools Art Challenge due to start at 6.00pm.

Senior Lecturers Steve McDade & Liz Colley together with their level 4 students had prepared a good selection

of various animal 'masks' which were then displayed in the entrance of the Art Department's artOne building together with a rather large inflated elephant.

Steve's presentation was accompanied by a powerpoint display showing many different animal, bird and fossil masks based on various cultures and their different art forms. One of the workshops had been prepared for a hands-on mask-making session which Liz explained to the teachers and they were also offered the opportunity of bringing their pupils to take part in a session at the University - and it was hoped that some of the level 4 students might be able to go into the schools. All of this of course depends on the various schools timetables.

So, following this very successful Launch we now wait to see what their pupils achieve by the submission date in June.

Our thanks go to Steve & Liz and all the teachers who will be taking part this year - and of course their pupils.

We have been informed that 2 (possibly 3) French schools will take part in this year's Art Challenge and one has asked if they could start a correspondence link - based on art - with one of our schools. Let's hope we are successful in achieving this.

As in previous years we look forward to Chartres Deputy Mayor, Patrick Geroudet, being able to join us for the Private View on 21st June and to join our Mayor to then present the Awards the following day.

FRIENDS OF CHARTRES COFFEE MORNING

On 22nd January Friends of Chartres Members met informally for coffee in the coffee bar at the Festival Theatre. Around 20 members attended and exchanged news and views. It was a good opportunity to meet new members in a relaxed setting - and the coffee was excellent.

As shown in the Programme of Events on page 3, there will another Friends Coffee morning in the Coffee Bar of the Festival Theatre on Thursday 16th May.

EVENSONG AT THE CATHEDRAL

As part of the special events arranged for the visit of the Maire de Chartres, Evensong on Friday March 1st included an Act of Thanksgiving for 60 years of friendship between our two cities of Chartres and Chichester. It was attended by our guests from Chartres, the High Sheriff of the county, Caroline Nicholls, the Duke of Richmond and members of the Friends of Chartres.

The Mayor of Chichester, Martyn Bell, read the first lesson, a passage from the Book of Isaiah. The second lesson, from the Gospel of St John, was read in French by the Maire de Chartres, M Jean-Pierre Gorges. To mark the occasion, the Anthem selected for the choir was the deeply moving Cantique de Jean Racine, sung in French. Our visitors were enthralled by the musical talent of the boy choristers as such choirs do not exist in France.

The service ended with the rousing hymn, "Thine be the glory", with verses in both English and French. After the Blessing, delivered by the Bishop of Chichester, there was time for a moment of reflection in the glorious surroundings of the cathedral as Charles Stanford's Verdun was played on the organ. Our thanks go to the Dean of Chichester for organising this wonderful service

Mini-Exchange to Chartres

Thursday 12th - Sunday 15th September

As part of our 60th anniversary celebrations, we have the opportunity to make a trip to Chartres in September to see the fabulous city illuminations. There will also be an exhibition of photographs from Chichester provided by the Chichester Camera Club. Those of you who have partners in France may be able to stay with them, otherwise hotel accommodation can be arranged.

To make a return coach trip viable, we need a minimum of 20 members to join the mini-exchange. It would be possible for a smaller group to travel in members' cars.

If you are interested in coming, please complete the relevant section of the booking form included in this section of Citylink and return it to the Treasurer, John Wilton.

Estimated costs are as follows:
Return journey by 25-seater coach
£150 per passenger

3 nights' accommodation in standard hotel,
e.g. Ibis £180

Return journey by ferry for a car
£390 (exclusive of fuel)
